

LIFESTYLE SQUARE RANGE SS2205

Made from superior strength duplex 2205 grade stainless steel, the Lifestyle square range provides the perfect mix of quality and strength. Innovatively designed recessed friction plates and patented double friction technology enables easy installation and tilt adjustment of glass panels.

Core drill pool spigot

DOUBLE FRICTION

Polish, satin or matt black finish

Order Code: LS-DF-S-P (Polish)

LS-DF-S-S (Satin)

LS-DF-S-B (Black)

- Duplex stainless steel 2205
- Patented double friction technology allows for easy tilt adjustment and alignment of frameless glass panels
- Square shape with minimal visible fixings
- 45mm front profile
- Bottom M10 bolt provides up to 60mm of vertical height adjustment and extra anchoring in footings
- Recessed friction plates provide a neat finish and easy installation
- Structure of spigot maximises strength

Includes terminal for quick and easy earthing if required

Optional extras

Flat dress ring

100mm x 100mm outer
Polish, satin or matt black finish

Order Code: LS-DR-P

LS-DR-S

LS-DR-B

Raised dress ring

100mm x 100mm outer
Polish, satin or matt black finish

Order Code: LS-DR-RAISED-P

LS-DR-RAISED-S

LS-DR-RAISED-B

Trade tip

Raised dress rings are helpful if grout in the core hole sets slightly above ground level. The slightly tapered finish of the dress ring overcomes this issue.

PATENTED double friction TECHNOLOGY

Adjust tilt and sideways alignment of glass easily
