

POOL MADRID SS2205

Designed specifically for pool fencing load requirements, the Madrid pool spigot range is the ultimate in quality at an unbelievable price point.

Pool Madrid core drill spigot

FRICION FIT

Polish, satin or matt black finish

Order Code:

Core drill: POOLMAD-S-P (Polish)

POOLMAD-S-S (Satin)

POOLMAD-S-B (Matt Black)

- Duplex stainless steel 2205
- Designed for pool fencing load requirements while keeping price point in mind
- Contemporary tapered top to comply with 'no toe hold' requirements
- Use with standard Madrid dress rings and domical cover
- 45mm front profile
- Earthing terminal included
- Recessed friction plate provides a neat finish and easy installation
- M10 bolt at bottom of core drill spigot allows for height adjustment and adds extra anchoring strength

Notched base plate for centre line alignment

Handy earthing terminal on core drill & base plated spigots

Optional extras

Flat dress ring

100mm x 100mm

Polish, satin or matt black finish

Order Code:

MAD-DR-P

MAD-DR-S

MAD-DR-B

Raised dress ring

100mm x 100mm

Polish, satin or matt black finish

Order Code:

MAD-DR-RAISED-P

MAD-DR-RAISED-S

MAD-DR-RAISED-B

Trade tip

Raised dress rings are helpful if grout in the core hole sets slightly above ground level. The slightly tapered finish of the dress ring overcomes this issue.
